# Alumni News and Opportunities

Become a Foundation Governor or Local Board member at CTK

We invite you to consider taking on the impactful role of a Foundation Governor or Local Board Member at Christ the King Sixth Forms.

As a graduate of our esteemed institution, your connection with the sixth form is invaluable, and your unique perspective can contribute significantly to shaping the future of the next generation of students.

Becoming a Foundation Governor or Local Board Member allows you to play a crucial role in the strategic decision-making processes that directly influence the sixth forms direction, policies, and overall success. Your firsthand experience as a student gives you valuable insights into the challenges and opportunities that students face, making your input particularly relevant.
