St Joseph's Hospital Ward Grand Opening

We were thrilled to officially unveil the St Joseph's Hospital Ward, a groundbreaking addition to Christ the King that brings hands-on learning to life to those studying BTEC and T Level Health and Science at CTK St Mary's.

This state-of-the-art ward is designed to replicate a real hospital environment, complete with lifelike, interactive mannequins where our students can practice vital healthcare skills such as CPR, responding to emergency scenarios, and taking blood pressure readings—immersing themselves in the realities of healthcare professions.

After a heartfelt blessing of the facility from our Priest Chaplain, Father Sombu; our Executive Principal, Shireen Razey OBE, and special guest Shelagh Legrave CBE DL, FE Commissioner, both delivered compelling speeches about the importance of innovation in education.
