### Our Alumni Join Our Evening of Celebration Evening

We were thrilled to welcome back CTK alumnus Christopher Uyiekpen, now a qualified Pharmacist, to our recent Evening of Celebration, where we

honoured the achievements of our current students.

Christopher joined us in recognising the hard work, resilience and success of our learners, and his presence served as a powerful reminder of the incredible journeys our alumni go on to achieve. His return was not only a celebration of our students' accomplishments but also a moment of pride for the CTK community, showcasing the inspiring pathways that begin at our Sixth Form. Thank you, Christopher, for sharing in this special evening and for continuing to inspire the next generation.

We were also delighted to welcome back Sharon Adesola-David, a remarkable CTK alumna who studied English Literature, Philosophy and Textiles at CTK. Sharon is now currently studying a BA at King's College London in Culture, Media and Creative Industries with Chinese.

She gave a powerful speech on the importance of understanding that progress isn't linear, and emphasising how key perseverance is in order to achieve success. Thank you so much Sharon for being a true inspiration to our CTK community!

- Stay tuned for more fantastic updates from Sharon!
