### **Christ the King Celebrates Second Year of the Sayo Ogundele Scholarship for Excellence**

We're proud to announce the continuation of the **Sayo Ogundele Scholarship for Excellence**, now in its second year. Created and personally

funded by CTK alumnus Sayo Ogundele, the scholarship recognises two students who have shown exceptional resilience, determination, and academic achievement.

This year's recipients - Lucas and Kamalrajh - have both secured places at top universities and impressed the selection panel with their ambition and strength of character. Sayo, now a successful legal professional, established the scholarship to give back to the CTK community and inspire future generations through mentorship and financial support.

Read more about the recipients and Sayo's story on our news page by clicking here >>>

## Welcoming Our New Staff Governors

We're delighted to welcome two new members to our Governance team at Christ the King:

CTK Alumni **Simone George** joins us as our Teaching Staff Governor, bringing her classroom experience and passion for student success to the board.

Simone shared her motivation for taking on the role and what she hopes to contribute:

*"As a former student of Christ the King College, I was very excited to apply for the Teacher Governor role. I recognise the work that is being done to strengthen and build on CTK's legacy, and I am proud to now be part of that journey. I look forward to contributing to the positive progression of the college and to continuing to champion our students, guiding them towards their very bright futures."*

**Fr Sombu** has been appointed as our Professional Services Staff Governor, offering a valuable perspective from the wider support services across our sites. He spoke about his reasons for joining and the impact he hopes to make:

*"I am keen to take on the role of a member of Christ the King College Governors Board because I am deeply committed to supporting the Catholic ethos, spiritual life, and academic development of the college. In my role as a priest chaplain, I see this position as a valuable way to support the moral, pastoral, and academic growth of the school community, while also engaging*

*in the development of policies that reflect our shared faith and values. I also look forward to gaining greater insight into the governance process and collaborating with fellow board members to ensure CTK continues to deliver a well-rounded, faith-centred education to all its students."*

We're excited to have their voices at the table as we continue shaping the future of CTK. Their experience and commitment will be instrumental in ensuring staff representation and strengthening our shared vision.

If you're a former student doing something exciting, we'd love to hear from you for a future feature. Click [here](#) to get in touch!
