Alumni Inspire Year 11 Students at St Columba's Boys School

We were thrilled to welcome Alumni Kosa back to St Columba's Boys School for our Year 11 Conference. Speaking to students about the journey to Year 11, Kosa encouraged them to take pride in how far they've come and celebrated

the teachers who have supported them every step of the way. Reflecting on the visit, Kosa said it felt wonderful to be back, “like visiting family.”

The event also featured Alumni Tony, joining online to answer students’ questions. Tony shared his experiences preparing for interviews, offered practical tips, and spoke about his journey from Christ the King to studying at Oxford University—inspiring students to aim high and persevere.

A huge thank you to both Kosa and Tony for giving their time and insight, and to our students for being so engaged throughout the day. Events like this highlight the strength of our alumni network and the lasting connections our community fosters.

Dominic & Corey Support Our Upcoming T Level Intake

This month we also welcomed back two of our alumni, Dominic Jastak and Corey Brooks, who generously returned to CTK Emmanuel to support our next cohort of T Level students.

As part of an interactive session in the Festo Lab for prospective 2025–26 learners, Dominic and Corey - both now thriving on degree apprenticeships with Turner & Townsend - shared their journeys from CTK to industry.

They offered honest reflections on transition, career pathways, and the skills that helped them succeed in a competitive sector. Their talk provided real-world context for our students, who were keen to understand what life beyond sixth form looks like. After their presentation, Dominic and Corey stayed to speak with learners individually, answering questions and offering personalised guidance. This informal networking opportunity was hugely beneficial and deeply appreciated by the students.

We are incredibly proud of everything Dominic and Corey have achieved, and we are sincerely grateful for their willingness to come back and give their time, support and encouragement!

If you're a former student doing something exciting, we'd love to hear from you for a future feature. Click [here](#) to get in touch!
