Sinem inspires students during National Apprenticeship Week

We were delighted to welcome CTK alumnus Sinem back to the college to help kick off National Apprenticeship Week!

Sinem shared her personal journey from studying A Levels at CTK to progressing into an apprenticeship, which allowed students to see the opportunities apprenticeships can offer.

Such an inspiration for students to hear directly from an alumnus who has successfully navigated this route, and Sinem's visit reinforced the important role our alumni community plays in supporting and motivating current students.

We're extremely grateful Sinem, for your return to CTK!

Aaron makes appearance for National Apprenticeship Week

As part of National Apprenticeship Week, Year 12 students at CTK

Emmanuel welcomed CTK alumnus Aaron Antwi, now an Apprentice at Bloomberg.

Aaron delivered an wonderful talk on how to successfully access apprenticeship opportunities, sharing his own journey from CTK to Bloomberg, and offered current students practical guidance on applications and possible next steps. Students were highly engaged throughout the session and even stayed behind during the break to continue the conversation.

Thank you so much Aaron for supporting and motivating current students as they continue to explore their future pathways!

Alumna Success Morrison on the Apprenticeship Experience

We welcomed back our very own Success Morrison, Data Management Apprentice at M&G and proud CTK Aquinas alumna, back to Christ the King for National Apprenticeship Week.

Success visited CTK St Mary's, where she spoke with Year 12 Business students about her journey from sixth form to securing an apprenticeship, offering advice on applications, interviews and adapting to workplace life.

Her visit was a wonderful example of the strength of our community after CTK and the impact former students continue to have in inspiring the next generation.

Thank you Success for giving your time and sharing your experience so generously!
